Schneider Electric

Advancing Energy Tech

Nathan Fast

Group Chief Financial Officer

Nathan Fast is the Chief Financial Officer of Schneider Electric and a member of the Executive Committee since April 2026.

Prior to his appointment as Group CFO, Nathan briefly served as SVP Head of Investor Relations, accelerating relationships with the investment community. Before that he held senior leadership roles including SVP Finance Global Supply Chain and SVP Group Controlling & Reporting, partnering closely with operations worldwide to drive resilience, sustainability, agility, and profitable growth. With more than two decades of international finance leadership experience across operations, capital markets, and corporate strategy, Nathan has built a strong track record of leading high-performing teams and delivering financial transformation in fast-evolving environments.

His early career includes positions at EY and Deloitte, giving him broad financial, audit, tax, and advisory experience across industries. Nathan holds a BSc in Accounting from Santa Clara University. Nathan has lived and worked across the US, Canada and France. He is based in Paris.
