Specifications

## voltage release Compact MX - 220..240 V AC 50/60Hz

29387

⚠ Discontinued on: Jul 12, 2021

⚠ Discontinued

### Main

|                              |                                                                                                                                                       |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Range                        | ComPact                                                                                                                                               |
| Range Of Product             | NS400...630 DC<br>NR100...250<br>NSF150...250<br>NB400...600<br>NS100...250 DC<br>NS125E<br>NS400...630<br>NR400...630<br>NSJ400...600<br>NS100...250 |
| Device Short Name            | MX                                                                                                                                                    |
| Product Or Component Type    | Voltage release                                                                                                                                       |
| Device Application           | Control                                                                                                                                               |
| Voltage Release Type         | Shunt trip release                                                                                                                                    |
| [Uc] Control Circuit Voltage | 208...277 V AC 60 Hz<br>220...240 V AC 50/60 Hz                                                                                                       |
