Specifications

SQUARE D

## Non-Reversing Starter Size 1, 3-Pole, Non Compensated Bimetallic, NEMA 4/4X

8536SCW13V02B2CS

Discontinued

### Main

|               |               |
|---------------|---------------|
| Product Type  | Starter       |
| Product Range | S             |
| Starter Type  | Non reversing |

### Complementary

|                        |                                                                        |
|------------------------|------------------------------------------------------------------------|
| Nema Size              | 1                                                                      |
| Rated Current          | 27 A                                                                   |
| Number Of Poles        | 3P                                                                     |
| Maximum Voltage Rating | 600 V AC                                                               |
| Phase                  | 3 phase                                                                |
| Type Of Overload       | Non-compensated bimetallic                                             |
| Horsepower Rating      | 7.5 HP 200 V AC<br>7.5 HP 230 V AC<br>10 HP 460 V AC<br>10 HP 575 V AC |
| Coil Voltage           | 110 V AC 50 Hz<br>120 V AC 60 Hz                                       |
| Control Circuit Type   | Separate control circuit                                               |
| Control Units          | Selector switch (HAND-OFF-AUTO)                                        |
| Terminal Type          | Screw clamp terminals                                                  |

### Environment

|                |                                   |
|----------------|-----------------------------------|
| Enclosure Type | NEMA 4/4X brushed stainless steel |
| Certifications | CSA<br>UL Listed<br>NEMA          |

### Ordering and shipping details

|                   |                                      |
